

Boracay Weddings

Boracay Weddings Management, was founded by Amanda Guidotti- Tiro and Nicole Holander- Guidotti to be a service that provides couples with their dream wedding on Boracay Island.

Our purpose is to help make the planning and conceptualizing of each and every wedding as unique and easy as possible for the Bride and Groom.

Boracay Island is fast becoming a popular attraction where couples wish to have their perfect dream wedding, and we aim to create a service that best suits each couples' distinct visualization of how they wish the most important day of their lives should be.

*Walk down the island of
Beautiful.....
Breathtaking.....
Boracay.....*

Get ready to walk on the pristine, white sand and exchange I do's against a beautiful sunset. Hold a grand reception right under the starry blue sky, and for your honeymoon, revel and swim in the crystal clear turquoise water of Boracay.

With Boracay Weddings, the wedding of your dreams is now within your reach. From conceptualizing to planning to booking, down to sourcing out of the best wedding suppliers. Boracay Weddings will help you turn your dream wedding into a blessed reality.

Packages

From the big budget weddings to small- budget weddings, and even intimate weddings, down to honeymoons, wedding events and Boracay activities, we have affordable packages to choose from.

Coordination Package:

Full Wedding Service Package

If you choose our full wedding service package, we will help you plan your day from the very beginning. From booking your airline flights and accommodations, to those of your guests, to coordinating with the church/ or the Pastor/ mayor that will be performing the marriage rite, including handling the processional and other church/ marriage necessities, to setting up your wedding reception site and to making sure that everything goes exactly as you plan. We will help you out all the wedding suppliers you may need, and coordinate with them to make sure your day is as breathtaking as possible.

Partial Wedding Service Package

With our partial package, we will help you in the middle of your planning, coordinate with the suppliers that you have already acquired, help oversee the Church and or marriage rites, and help smooth and all the details of your wedding day to make it as flawless as it should be.

No such thing on the Day

Includes wedding day coordination, and sourcing local suppliers to help make your wedding as care free as possible.

Wedding Day Coordination

About a month before your wedding, we can help coordinate with your already acquired suppliers, supervise the church/ marriage rites and necessities and help marriage program throughout your reception.
